	Time						
	Run 2	No Jam	No Jam	No Jam	No Jam	No Jam	No Jam
	Time						

NOTE: *The Target LT-400 is a door-opener system, we tested its side-effect against Lidars.
 Test runs were from 3 distances because if the LaserTrack can't identify its own home-signal in few (7s)seconds then switches itself off automatically to prevent interferences with other laser systems."

LEGEND JTT=7S 7-5,5s 5,5-3,5s
 3,5-0s No Alert, No Jam
